

# HARO Stairs

Improves the aesthetics  
of rooms step by step

# Panelling for stairs made of original HARO Parquet

Whether you have a concrete staircase or self-supporting stairs, with Haro Stairs you can design your living space individually and integrate your staircase as a connecting design object - in the same style or contrasting your HARO Floor.

The various options for the panelling of stairs are made of original HARO Parquet. Regardless of whether you need block steps, format boards or just stair nosings, HARO has the right product for you and your individual taste in its range.

## Stair nosings made of aluminium for parquet and laminate

### Euro-Step stair nosings type 320

Two-piece, screw-on moulding system. The cover section can be removed at any time and can be precisely readjusted by setting the screws. The wider base section ensures enhanced stability and safety at the edges.

For floor coverings between 7 and 16 mm. Aluminium anodised.

	ID N°	PU	€ excl. VAT	
silver, length 100 cm	411837	1 pc.		
silver, length 270 cm	411838	1 pc.		

### Sloping edge type 3402

For the facing of the stair's riser; allows the optimal use of the available tread width.

Only usable in combination with stair nosing Euro-Step model 320.  
With countersunk holes.

Phillips head screws 3,5 x 30 mm enclosed. Aluminium

Length: 100 cm
